

Jersey Village Gold Duster Addendum

The guidelines set forth below are designed to ensure equality of members. The director(s) reserve the right to make accommodations based on extenuating circumstances when necessary. These rules and guidelines are to remain in effect for an entire year; which is defined as the first day after the current teams end of the year banquet until the new teams end of year banquet is completed.

1. Expenses

- a. It should be noted that the Gold Duster organization has a financial obligation attached to membership. If financial difficulties occur within a family making it difficult to meet this obligation, the director(s) must be informed immediately. Steps will be taken to assist rather than dismiss the member but remain the responsibility of the member and their family.
- b. All team fees, clothing and camp fees must be paid prior to New Team Meeting in May unless other arrangements have been made with the director and JVGDPC Treasurer.
- c. Some costumes and clothing items are furnished by CFISD or JVGDPC. Each member may be responsible for the maintenance of these uniforms and costumes. The member to whom the uniform/costume is issued will be responsible for any missing or damaged pieces.
- d. In an effort to keep costs to a minimum, the director(s) will plan fundraising events during the year. Fundraising events will benefit the team in general. There are required events that each member is expected to participate in fully. This could be attending designated functions, providing products for events or any other assistance that is needed to successfully complete the event.
- e. Unless prior arrangements have been made with the director(s), members who have not paid for travel in full by due dates may not participate in any trips taken and may not be issued refunds for monies paid. All members will be held responsible for fees in accordance to any travel agents' contract.
- f. Seniors, Dance Officers and Social Officers may incur additional expenses above and beyond a normal team member.
- g. Gold Dusters that are not current with their financial obligations may not be permitted to participate in optional activities including (but not limited to) solos, ensembles and Show Group fees and other optional activities or purchases (extra clothing, yard signs, etc.), and may not be permitted to attend Gold Duster formal and end of the year Banquet.
- h. Should you choose to pay by credit card, you acknowledge the fact that you will be charged an additional service fee. You also acknowledge that service fee for using a credit card is strictly nonrefundable.

2. Attendance

- a. Members are required to attend all activities whether performing or not unless prior arrangements are made with the director(s) 7 days in advance. **Activities that should be scheduled outside of dance team events include but are not limited to tutoring sessions, college days, SAT/ACT, appointments, work, and other extra-curricular activities.**

 1. Illness;
 1. Members must email or message the director. Emails and messages must be time stamped prior to the beginning of class, practice or the scheduled event, whichever comes first.
 2. Should a member become well enough to attend school, the absence from rehearsal will be considered **unexcused**.
 3. Members leaving school early due to an illness must check out or be dismissed from the nurse's office, not the front office if there is afternoon rehearsal and must notify the director prior to leaving/rehearsal.

3. All other absences;
 - a. You must request your absence to be excused 7 days in advance. Please note that just you because you request an absence does not mean that it will be approved to be unexcused.
 - b. Weddings, funerals, tryouts for a college dance team are examples of absences that would be approved. Celebrating your birthday, taking a college day, going to a concert are examples of absences that would not be approved.
 - c. Members are expected to be in attendance for the entire event and are expected to travel to and from dance team scheduled events with the team. In exceptional cases, a member may be permitted to leave a scheduled event with a parent/guardian if a form is signed or if there are extenuating circumstances. In both circumstances, approval of the director and/or school administration is required.

To Jersey Village High.

Gold Dusters in my heart forever,
I never want to leave,
The friends I've met
I'll never forget,
The love we all have shared.

A love that is so true (so true)!
A long, lifetime friend
We'll stick to the end
Oh, Gold Dusters, I love you!!!

JERSEY VILLAGE HIGH SCHOOL GOLD DUSTERS DANCE TEAM MERIT/DEMERIT SYSTEM

In order to be a productive and successful team, it is necessary that each team member be responsible to a discipline system and code of conduct. The purpose of this system is intended to enhance our organization and its members. The director shall have the authority to use discretion when extenuating circumstances exist.

MERIT SYSTEM GUIDELINES:

Members will be required to earn a minimum amount of merits each semester to be a member in good standing. This amount will be announced by the director on the first day of new team practice. Members who earn a significant amount a merits will receive awards and privileges at the end of the school year. The merit system is designed to reward members for positive behavior and actions. Guidelines for the merit system are as follows:

- Merits begin at zero on the first day after End of the Year Banquet and end the day of the next End of Year Banquet.
- It is the member's responsibility to keep up with a list of their own merits for their records. Should you have questions, you should discuss them with the director(s).
- The merit documentation form must be turned in within seven days of the event and should include contact information for the merits to count and are not earned until they have been correctly submitted to the director(s).
 - Summer merits are the only exception to this and a specific date will be given to turn these in.
- Merits earned during the summer will be capped at 20 merits.

DEMERIT SYSTEM GUIDELINES:

- Demerits begin at zero on the first day after End of the Year Banquet and end on the day of the next End of Year Banquet.
- Upon accumulation of the 10th demerit, a member will be dismissed from the team for the remainder of the year; at which point he/she will be required to turn in all uniforms and have his/her schedule changed.
- Some demerits will be considered major while others are considered minor according to the guidelines established in the merit/demerit system guidelines. Major demerits may not be appealed to the Demerit Appeals Committee.
- Demerits may be issued by the director(s), dance officers, social officers or any other director designated person. If someone other than the director is issuing the demerits, the assigning of these demerits should receive approval from the director in advance.
- When a member receives a minor demerit, he/she will receive notification of the demerit and must sign for the demerit within seven days of the offense or within seven days of returning to school (except for major demerits—which may be issued at any time).
- Members will be given a carbon copy of each demerit and merit he/she receives. It is his/her responsibility to keep track of these forms.
- The director(s) may check discipline records periodically throughout the year. Should a member be assigned school related discipline she will receive demerits accordingly. Demerits for these may be given at any time after the discipline has been assigned.

KICKABLE OFFENSES:

- Some offenses can be kicked off to avoid receiving a demerit.
- They are labeled on the next page.
- These must be kicked off within 1 school day of the offense to not receive the demerit.
- It is team members responsibility to ask an officer or director to watch them kick.
- If a team member is unable to kick due to an injury, the director will assign them a different set of 100.
- On the third time the same "kickable" offense is repeated, the team member will automatically receive the demerit for the offense instead of being able to kick it off.
