## **Football Games FAQ's**

- Your Gold Duster will report to the school at the designated time on the football timesheet for each game day. The timesheet is located on Team App & on the website in the documents section.
- She will ride the bus to and from the game with the team.
- Gold Dusters are not allowed to eat or drink in the uniform other than water and designated snacks from the directors.
- During the game all Gold Dusters must remain with the team at all times. They will not be permitted to leave the team to visit family or friends at any time during the game.
- Gold Dusters are not able to use their phones during the game without permission from a director. If for some reason you will need to get a hold of your Gold Duster during the game, please message both directors on Team app.
- At the conclusion of the game, a message will be sent out to all parents letting them know we are headed back to campus. If you are picking up your child, please be sure to arrive to pick her up in a timely manner.

## **Parent Dance**

- November 14th at Pridgeon Stadium
- We unfortunately will not be able to do a parent performance in person this year, so this is what we came up with instead:
  - Your daughter will be given 1 eight count of choreography to go home and teach you. You will then record this dance at home with her and she will submit the video to us. We will splice together all the videos and create a virtual performance to play during halftime on the big screen at the November 14th game.
- More details about what to wear and how to record the video will be shared closer to the event.

## **Senior Game**

- November 21st at Pridgeon Stadium
- Senior Gold Dusters & their families will take a picture at JVHS Monday, November 2nd (tentative date) in the evening. This photo will be displayed on the big screen at the game on the 21st.
- We unfortunately will not be able to have parents escort their senior Gold Dusters onto the field at halftime or visit the Gold Dusters section this year.
